Getting the Most Value from your iPad and iPhone

For beginners and those interested in **mastering the basics.**

This expirience is designed to teach new users the "ins" and "outs" of an Apple iPad or iPhone. We want to help you feel comfortable and confident using your devices.

10 participants maximum.

This course costs $50 + tax and spans across 5 consecutive weeks - 1 hour each class.

Dates for the course include:

January 7,14,21,28 and Februrary 5 from 1PM to 2PM EST.

Registration is required.
